Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Home Improvements and Repairs for Mid-Michigan Households” project in Fiscal Year 2024. The entity to receive funding for this project is the Saginaw-Shiawassee Habitat for Humanity, located at 315 W. Holland Ave., Saginaw, Mich. 48602.

The funding would be used for making critical home repairs, including to energy systems and roofs, for veterans and low-income households to address health and safety issues. This project is an appropriate use of taxpayer funds because it will increase housing for veterans, improve public safety and spur economic development.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. section 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
